“Sweet and Lovely”

Bill's Fragrant Glad

COLOR—Saffron with Orange Tint.

SIZE—Four inches across tips.

HEIGHT—Three or four feet with 10 to 16 buds on a spike and 4 or more open.

TYPE—Primulinus Grandiflorus, slightly hooded.

SEASON—Sure, vigorous, early season bloomer.

FRAGRANCE—Delicate but distinct. A very pleasing odor not like any other flower. Not strong enough to detect in open fields except on very still warm days. A vase of cut spikes indoors, very distinctly fragrant.

COMMERCIAL—Easily forces 100%, good color, good keeper, good shipper.

20c each, 3 for 50c, \$2.00 doz.

Break O' Day

This variety is now recognized as one of the outstanding recent productions. It combines delicate coloring, graceful stems, large size, earliness, vigor and good keeping qualities. The pink is flushed over a cream ground and the shade is deeper at tips of petals. There is a zone of martius yellow on lower petals.

Gladdie Boy

Primulinus Grandiflorus type, retaining the delicate characteristic coloring.

Flowers are well expanded, with only a slight hooded effect. Mature bulbs throw spikes with 18 to 20 buds, and opening 6 to 8 perfect flowers at a time. The color is very distinctive. the general effect being a Grenadine pink, gradually blending with straw yellow deep in the center. The petals are most gracefully frilled.
